

Index for Volume xxxi (1978-79)

of The Armenian Review

—COMPILED BY LEVON A. SARYAN. This Index continues our effort to provide to readers and users of *The Armenian Review* a complete listing of the published material in its pages. The format and organization of this listing parallels that used in recent indices in previous issues. For a fuller description of the methods of classification employed, readers may refer to volume 28, issue number 4-112, pages 440-447.

The present index covers issue numbers 1-121 to 4-124 of volume 31 (1978-1979 issues). For maximum clarity and ease, indexed material is cited in the following format: Author. Title. 31 (1-121) : 3-16. (subject headings). The numerals indicate the pertinent data for the location of the item, in this order: volume number, issue number, and pages inclusive. To avoid any confusion, the year designation has been dropped from all citations in this index.
